- First freshman boy to ever win the MOHSRA State Tournament.

2025-2026 Season

Number 1 Seed on Varsity.

Service

Racquetball

Assistant Coach

I volunteer as an assistant coach for the Middle School United Racquetball team. I enjoy working with the kids who have the spark in them that I had when first introduced to racquetball. Helping them develop as players and watching them have fun doing it is very rewarding to me. I hope to continue to introduce more juniors to racquetball. This role helps me communicate well with juniors of varying personalities and abilities.

USAR National Junior Championships

- All American 14u
- 2nd Place, Gold Division, 14u Singles
- National 14u Doubles Champion
- 3rd Place, Gold Division, 14u Mixed Doubles

- Team USA 16u Singles Berth

June, 2024

USAR National Junior Championships

- All American 12u Singles
- 3rd place, Gold Bracket, 12u Singles

June, 2023

School (St. John Vianney High School)

Vianney United

As a freshman, I was elected to serve on Vianney United which is the student council at Vianney. In this role, I help to plan and execute events for my class. I am also responsible for advocating for my class if the need arises. This role helps me to be a strong decision maker and leader. Re-elected as a Sophomore

Griffin Guide

A Griffin Guide is chosen by the teachers and staff to represent Vianney at all recruiting events. As a Griffin Guide, I am responsible for guiding prospective students through a shadow day. On open house days, I represent my school and give tours to prospective families. I also speak at events held by the admissions office. This role helps me to grow in leadership, public speaking and all around confidence. I have served in this role during my freshman and sophomore years.

GOALS

Tournament Travel

As a top overall competitor in the St. Louis, MO region, it is imperative that I travel to USAR and IRT tournaments throughout the US. This would allow for me to continue challenging myself and raising the standard of my game. Having the opportunity to play a variety of players with different styles and skills, will help me to grow in my physical and mental game. This helps me to prepare to play the best of the best when I represent Team USA at Worlds and work my way to #1 in the world.

DOUBLE GOLD at 2026 Junior Nationals

In June of 2026, the USAR Junior Nationals Championship will take place in Des Moines, IA. My goal is to qualify for Team USA for the 4th consecutive year. It is my intention to place first in 16u singles and, also, in doubles with my partner, Evan Whitley, earning a double berth for the 2026 IRF Junior World Championships.

ABOUT ME:

I am a 3x Team USA member and have my sights set on being number 1 in the world. Having goals and reaching them takes sacrifice and focus. I am dedicated to the sport of racquetball, reaching my goals, and growing this sport. To do this, I am sure to have my priorities in line. God first, family second, education third, and then racquetball. Without order and strength, goals can not be reached. I have continued to reach my goals and set new ones. I dream fearlessly and go for the gold!
